Mental Health Management of Patients in Correctional Facilities

The American College of Correctional Physicians has recently finalized its position statement on Mental Health Management of Patients in Correctional Facilities. Please see the summer issue to review the position statement.

Interested in Serving as an Expert Witness?

The American College of Correctional Physicians has a referral service for physician expert witnesses in correctional health cases. This is a benefit to you as our member as we do not charge any fees to the companies or to you as a member. All of the financial transactions will be directly between you and the attorney who engages your services. If you are interested in being added to the list of expert witnesses, please email your CV with your contact information on the CV to christine@accpmed.org. With your participation we can build a successful program beneficial for the correctional community.

ACCP CorrDocs Articles

The American College of Correctional Physicians is putting together its next newsletter of CorrDocs and is soliciting articles for publication. CorrDocs strives to update its members on advances within the walls of correctional medicine, as well as stories that touch the human element. From my experience, everyone has an interesting story (or two!) and knowledge to share. Our membership would benefit from reading it. Please submit a 500-1000 word literary piece for review.

You may email them to our editor, Rebecca Lubelczyk, at Rebecca@lubelczyk.com. Please visit our website www.ACCPmed.org to review past issues of CorrDocs to help develop your own contribution. We look forward to reading your work!

Other Upcoming Events
